

15Watt Analog Paging Horn CCSPKAPH15

Speaker

Power at 100V:	1.9/3.8/7.5/15; 15W @8ohm
Power at 70V:	1.9/3.8/7.5/15; 15W @8ohm
SPL (1W/1M):	101dB
Max SPL@1M:	113dB
Frequency Response:	300Hz-8KHz
Dispersion Angle:	130 degree
Weight:	3lbs
Enclosure Material:	ABS
Color:	Light Grey
Dimensions:	7.88 x 9.06 inches

Features:

- Fully weather proof horn for reliable operation in demanding environmental conditions. IP67 rating
- Easy to install on a wall, pole or ceiling! Mount applications include corrosion resistance stainless steel mounting hardware
- The loud-speaker diaphragm is heat and moisture-resistant to prevent deformation and extend operation
- C-C-SPK-APH15 provides intelligible voice paging and tone signaling for indoor and outdoor sound system applications
