Audio Output:	3.5mm Audio Jack
Network Interface:	10/100Mbps
LCD Display	
Size (inches):	4.3"
Resolution:	480p*272p
Color:	24-bit 8R8G

The Admin Console is a versatile and high-performance SIP-enabled device for seamless communication. It features 30 programmable fast keys that can be used for paging, intercom, music playback, outbound phone calls and emergency alarm activation. With multicast and peer-to-peer technology, it serves as a standalone server-less console for individual and group paging, internal calls and more.
