

G2's Complete Security Solution

One Platform. Total Protection.

G2 Communicator

Control intercom, paging, bells, clocks, visual communication (alerts and announcements), video doorbells and emergency communication - including real-time, two-way chat from the G2 Mobile App.

G2 DIA - Does It All

All-in-One solution for seamless connectivity - featuring: Clock with a Purpose, Digital Signage Display, Mass Notification Speaker, Visual Alerting and Strobe, Daily Announcements, Scrolling Messages, Paging and Intercom.

G2 Bell, Paging, Intercom and Clock

Make communication easy with virtually unlimited bell schedules, audio paging to full campus or zones or quick and efficient intercom calls.

G2 Activator App

A powerful panic alert application designed to enhance safety. G2 Activator seamlessly integrates into the audio and visual alerting system of G2 Communicator, serving as a vital component in your emergency communication strategy.

G2 Mobile Panic Button

When every second counts, the G2 Emergency Management System helps to keep your campus or workplace safe. This panic button can notify authorities when a life threatening emergency occurs.
