

Wall Mounted Panic Button

Instant Alerts. Immediate Action. Maximum Safety.

Key Features and Benefits

- **Compact & Discreet:** Built-in microphone only (no speaker) for silent, concealed emergency calls.
- **Dual Activation Methods:** Supports both press trigger and long-press trigger.
- **Ensures Call Accessibility:** Polls destinations if busy, unanswered, or offline.
- **LED Indicators:** Multiple preset flashing modes.
- **Customizable Tones:** Upload personalized tones (e.g., device location info) played to recipients first.
- **Supports Adaptive Noise Reduction:** Ensures clear audio even in noisy environments.
- **Relay & Remote Control:** Supports relay control and remote access management.
- **Power over Ethernet (PoE):** Simplifies installation and power delivery.
- **Web-Based Configuration:** Full setup and control via web GUI.
- **API Support:** Flexible integration with other systems.

When every second counts, the G2 Emergency Management System helps to keep your campus or workplace safe. This wall mounted panic button can notify authorities when a life threatening emergency occurs.
